### **A. Hill Mower**

On July 3, the mower used to mow Nutter hill, had a motor mount failure and the engine fell out. This was a catastrophic failure to the mower.

Cost to repair the mower exceeds the value of the mower. Parts alone cost \$6154

New Cub Cadet Pro-Z 972 mower is \$38,198

New Altoz 766i mower is \$25,755

New Ventrac 4520 is \$45,000

Our ExMark Mowers are also aging, and showing signs of fatigue.

Eli will bring us a proposal of what is needed to replace the mowers needed.

Discussion was held. The board will make decisions when more information is available.

### **B. Sinkholes**
